

REFORMED EPISCOPAL CHURCH.

SPECIAL SERVICES FOR THE REDUCTION OF THE DEBT.

On Sunday, December 23rd, 1877, special services will be held morning and evening with a view to reduce the debt upon the Church. Rev. J. Reid will preach in the morning and Bishop Cridge in the evening.

The Church-wardens and Church Committee have thought it desirable to have services as above for the reduction of the debt which at present burdens the Church.

While they feel that the congregation has maintained its numbers beyond expectation, they must at the same time observe the collections at present are not sufficient to meet the liabilities, including stipends, interest, &c.

They would suggest that members of the congregation, whether bondholders or otherwise, who feel so disposed should write on the subjoined form what sum they are willing to contribute during a term of years, or otherwise, to be laid on the plate at the time of collection or forwarded to the Church-wardens.
